The agenda for this meeting is included in this email. The main business to be conducted at the meeting is (1) the approval of the annual financial statements for the year ended 31 December 2022. If you would like to view a copy of the financial statements beforehand, please let the office know.

According to our Constitution, we need a 10% representation to have a quorum. That means at least 15 members must be present, either in person or by assigning a proxy to vote on their behalf.
